**Re: USA v. Abelardo Longas, 07-CR-315 (TPG)**

Dear Judge Griesa,

My client is requesting permission to go to his son’s graduation from the Marines Basic Training. He would like to leave September 26, 2007 and return September 30, 2007. He would be staying on Paris Island in South Carolina.

I spoke with my client’s Pretrial Services Officer, Lisa Chang, and she has no objection to my client’s request. AUSA Daniel Stein also consented to the trip.

We respectfully request that Your Honor grant the application herein.

Sincerely,

---
